PONTO DA SITUAÇÃO ÀS 21H00 (13H00 DE PORTUGAL) DE 16 de OUTUBRO DE 1975

-Neste momento começou a invasão. Cerca das 5H00 de madrugada de hoje foi feito um ataque(indonésio) generalizado.
-Fronteira sul - Tilomar, Fohorém, foram dominados pelos indonésios.
Em Lebos - ocuparam o quartel das FALINTIL ~~fixxxxxxxxxxx~~ mas foi outra vez retomado.
Ocuparam Batugadé. Saquearam e incendiaram Balibó. Massacraram uma companhia das FALINTIL ficando apenas sete (7) sobreviventes que afirmaram serem os invasores todos indonésios. Não estavam homens~~xx~~ da UDT.
-Ocuparam a parte baixa de Maliana. Estão estacionados em Maliana cento e tal carros indonésios .
Os jornalistas estrangeiros , provavelmente os da RTP teriam caído nas mãos dos indonésios. Deconhece-se a sua sorte. Desconfia-se que estejam mortos.
-Este é o cenário que apresentamos neste momento sobre a nossa situação.
-Uma coisa é incostetável, a nítida invasão da Indonésia.
Por outro lado, a nossa firme determinação em corresponder â nossa ~~fixxxxxxxxxxxxxxxx~~ palavra de ordem "INDEPENDENCIA OU MORTE " para que resistamos até ao fim.
Apelamos para que o INTERNACIONALISMO seja de facto um facto.
